### ELECTRONIC SERVICES FOR BUSINESS TO BE DISPLAYED IN STATE CAPITOL

#### MISSOULA --

Montana legislators, business owners and economic developers are invited to visit a display of electronic services for businesses Thursday, Feb. 2, from 10 a.m. until 5:30 p.m. in the Montana Capitol.

The display, featuring services offered through the Montana Business Connections: The Entrepreneurship Center, a Montana University System Center for Excellence, will be in the southeast corner of the Capitol Rotunda.

According to Kathy Frantzreb, the center's program coordinator, the display will include an electronic calendar of worldwide business events of interest to Montana businesses. "That includes everything from a WordPerfect Seminar in Livingston, Mont., to a trade show in Korea," Frantzreb said.

The center's electronic Business Resource Directory will also be on display, featuring more than 3,500 university, private and public resources of interest to Montana businesses.

Both of these services are available to anyone who has a computer and modem or access to the Internet.
